Ayrton GIBLI

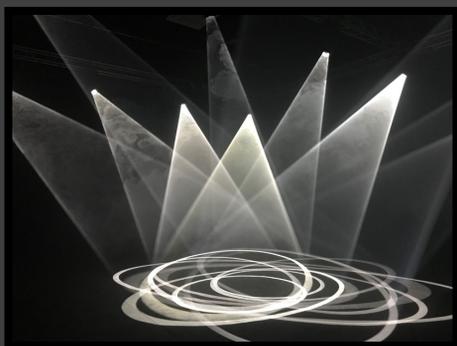

Marklew Productions Ltd are proud to stock the fantastic Ayrton GIBLI LED spot luminaire moving heads.

A versatile and powerful fixture, featuring a 23,000 lumen LED lamp and full framing system. Ideal to add impact to any event.

Trade Discounted Hire Rates Available

AYRTON GIBLI - AVAILABLE FOR HIRE NOW!

The Ayrton Ghibli is an LED spot luminaire that is factory-equipped with a framing system designed to offer lighting designers unlimited creative possibilities.

It is fitted with an LED module using a monochromatic white light source calibrated at 7,500K, The lamp delivers a light output of 23,000 lumens in a highly compact format.

It has 13 high-quality lenses, delivering an 8:1 zoom ratio and a zoom range of 7° to 56°.

The Ghibli comes with a large selection of gobos and colours made to meet the needs of the entertainment industry.

Ayrton **KYALAMI**

A sphere of only 265 mm incorporates its 100 W laser module with a cooling system and optics. Kyalami offers a next generation speckle-free laser source designed for rendering a D65 white point that allows perfect colour reproduction. It pushes all the limits when it comes to beam definition, with native contrast never before achieved by a digital light source, an incredible 1° beam angle, and an extreme range of focus that permits the beam shape to be adjusted according to the operating distance.

Trade Discounted Hire Rates Available

Ayrton Kyalami- AVAILABLE FOR HIRE NOW!

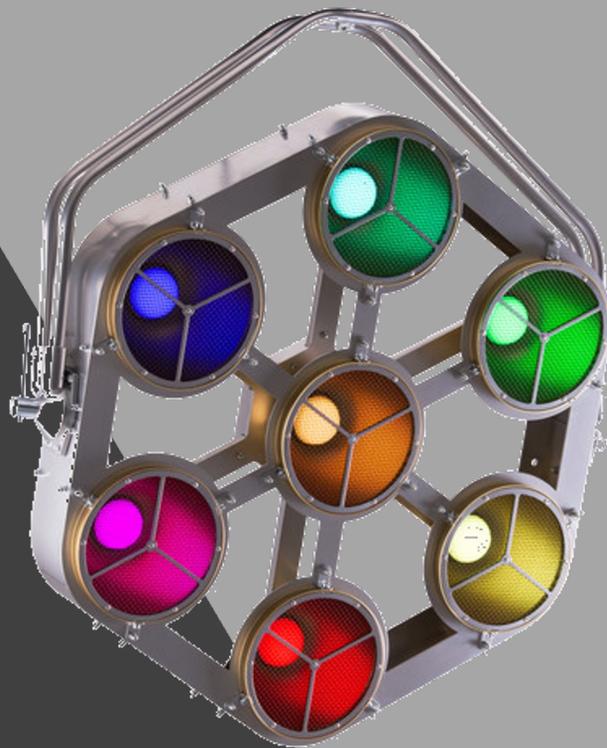

The proprietary three-lens optical system produces an intensive 1° beam, delivering a record luminous flux of 400,000 lux at 10 m. Kyalami is provided with a highly innovative colour section including a high-definition progressive CMY colour mixing system and a multi-position instant access colour wheel equipped with five corrective filters, and 17 complementary colour filters. Kyalami has unrivalled graphics capability, offering a wide choice of 29 fixed metal gobos designed to sculpt light in « beam » mode.

Robe PixelPATT

Marklew Productions Ltd stock the beautiful Robe PixelPATT's

The pixelPATT is composed of 7x 40W RGBW LED multi-chips, one in the centre surrounded by a ring of six, housed in a super-slim and lightweight brushed metal frame.

Trade Discounted Hire Rates Available

Robe PixelPATT - AVAILABLE FOR HIRE NOW!

Joining Robe's line of retro style lighting products is pixelPATT, the new addition to the PATT family. In spite of its eye-catching retro design, pixelPATT is based on modern LED pixel-controlled technology.

The pixelPATT is an ideal fixture for television broadcasts, concerts, fashion shows or any type of event from awards to brand activations.
